Dear Parents,

As we approach the last part of the year, it is important to reflect on the past year. The 2016/2017 Academic year will go down in our school’s history as the best ever. Not only have we had a lot of fun outside the classroom but most importantly we have also had a very stable and ever improving academic year. Our Grade 9-12 Bilingual programme is continuously growing and we are looking forward to excellent examination results. The wonderful thing about this programme is that it gives our local students access to scholarships and bursaries without having to go to the government schools. We also have the biggest ever IGCSE and AS level groups. These students have already started their exams. I would like to wish all our students from grade 4 to Grade 12 all the best for the examinations. Always remember that hard work pays off!

Re-registration:

I would also like to request all parents to return their re-registration forms as well as their 100 Rial re-registration fees as soon as possible. Please remember that the 100 Rial will be deducted from next year’s school fees. This will enable us to plan effectively for next year and to ensure that everything is in place for the start of the academic year.

School fees:

All school fees are now due and should be settled as soon as possible. Please contact the finance office for more information.

Last but certainly not least, we are weeks away from breaking ground on our new school building. You will be kept informed as to when this will happen.

I would like to thank our parent community for their continued support of the school!

Sharl Prinsloo
Principal
12 April 2017 - Sohar International School hosted their 3rd Annual Art Exhibition at the Omani Society for Fine Arts in Sohar. Students had the opportunity to display their artwork and answer any questions from teachers, peers and visitors showing interest in their pieces. We were also fortunate to have guest artist, Dalia Al Bassami join us and officially open what turned out to be an extremely successful exhibition. A special thanks to Ms Mariette and Ms Dhikra for arranging and setting up the event and we look forward to the next year’s exhibition.
On 1 May 2017 Azzan Bin Qais School, one of our sister schools in Muscat, hosted an U9 sports clinic for boys and girls where they learned some basic skills and rules while playing volleyball, handball and basketball. Our students had a great time interacting and competing with other students from Azzan Bin Qais and As’ Seeb International Schools. We look forward to many more events and fixtures between our three schools in the future.
Students from grade 5D and 10A presented Healthy Lifestyles and Physical Education as their topics for their subject assemblies. They explained and demonstrated how a combination of eating correctly and taking part in regular exercise plays an important role in one’s overall health and wellbeing. The assembly finished off with the whole school taking part in an aerobics session where everyone had great fun.
On 27 April our school celebrated Administrators' Day. We thanked our school’s administrators for all their hard work that they do behind the scenes, and showed our appreciation by awarding them each with a small gift and a certificate. Thank you once again!!!
Our IGCSE and AS Level students are currently completing their final exams for this academic year. We would like to wish them the best of luck and we look forward to seeing their results in August.

Good luck!!!

We would also like to wish our other grade 4-12 students good luck, as they write their final exams for this academic year from 21-28 May.
Both Mr Sharl and Mr Ali celebrated their birthdays in April. The entire school congratulated them and celebrated with Mr Sharl and Mr Ali during an assembly held on 27 April 2017.
On 19 April 2017, our grade 5A and 5B English Social Studies students travelled to Al Rustaq. They had a wonderful experience exploring the Al Rustaq Fort with Mr Regardt, Mr Mohamed and Ms Alta. The students even had a chance to stop at the Al Suweidi Beach where they were able to swim in the sea and warm water springs.
10B Beach Cleaning Awareness
The grade 10B class started a Beach Cleaning and Awareness Campaign on 13 April 2017, and visited one of the nearby beaches in Sohar. The students picked up and collected bags and bags of litter, while putting up posters that they had created to help raise awareness amongst the community.
Mr Ahmed accompanied five of our students to the next round of the Holy Qur’an Competition in the Sultan Qaboos Mosque on 16 April 2017.
