What we were up to:

- We played football
- We watched a movie
- We went on a picnic
- We learned how to be kind

and much more........
As we are approaching the end of the academic year, it is wonderful to reflect on a very successful year to date. This has been a watershed year for our school as the school has seen tremendous improvements. You only have to walk around any of our campuses to see the changes. The good news is that these improvements will continue. We are focusing on not only the facilities but also the academics. The Bilingual Programme will be extended to include grade 9 and 10 next year. We will also have our first A2 Level students next year. Our recruitment has been concluded and we are very well placed for the new academic year. The new building project is also entering the final planning phase and we hope to launch this project in the next few months.

I would like to urge all our parents to please complete the re-registration process as soon as possible as we have seen significant growth in interest for places in our school.

In conclusion I would like to wish all our students all the best for the upcoming examinations. Please remember that hard work will always be rewarded.
Cinema Day

Going to see a movie always is an exciting event and there’s no doubt about it, The Jungle Book is one of those stories that is just simply timeless. It has everything you could possibly want: lovable characters, singable songs, and a dancing primate. But who knew that a bunch of jungle animals and a man-cub named Mowgli would teach us so many life lessons? Not us. But lessons we did learn.

Ones like these:

1) Remember the Bare Necessities
2) Dance Like Nobody’s Watching
3) Laugh Often
4) You Can Count on Your Friends
5) What’s Right Isn’t Always What’s Easy

Remember to appreciate the world around you, even things as small as the bees who are buzzing in the trees to make some honey just for you. And we’ll tell you something: the bare necessities of life will come to you! Ms. Alicia
Grade 3 Football

The inter-class football tournament for the grade 3 boys is a new annual event that was created to encourage good health and well being, teamwork skills and a friendly bit of competition. All the boys had to compete and were divided into eight teams. Each team played a total of 3 games to determine who will be in the tournament final. The tournament final was a tightly contested match with both teams having multiple chances to score the winning goal. By the end of full time both teams were scoreless. Penalty shootout! All the grade 3 students surrounded the field to support their favourite side. The one side shouting 3.3 (Ms. Suan's class), the other shouting 3.2 (Ms. Sanet's class). In the end Ms. Sanet's class won with a brilliant save by the goalkeeper to end the penalty shootout 4 - 3.

Prizes were awarded to the winners and losers by Mr. Riegardt. After the prize giving ceremony, Mr. Riegardt gave a short speech highlighting the importance of sports in their life. We conclude with the famous saying,  
"Winners win, winners lose, but winners play".

Mr. Rishon
The Kindergarten went on a Teddy Bear Picnic Adventure on the 21st of April. The students beamed with pride as each one wore a teddy bear mask they made themselves. They held on tightly to their own teddy bear who also joined us for our picnic at the Silver Jubilee Park. The most exciting part for the students were tasting honey and feeding their teddies. With loads of excitement and lots of laughter the students sung teddy bear songs and participated in playing teddy bear games. A lovely picnic with all kinds of delicious food was enjoyed by all. The day ended where each child coloured a teddy bear picnic picture and the best coloured picture received an award. The day proved to be a huge success judging by the tired little ‘TEDDY BEARS’ who fell asleep on the bus on the way back to school. **Ms. Astrid**
KEEP CALM AND DO RANDOM ACTS OF KINDNESS
At SIS...we throw kindness around like confetti!

One kind word can change a person’s whole day! Enriching our students with valuable ideas and ways how to treat others and the importance of words we speak, is a quality that is very important to all of us at SIS. We launched a Random Acts of Kindness Campaign. The main objective of this campaign is to raise awareness of the small things that each of us can do to brighten someone else’s day. Anyone can make a positive impact on someone else’s attitude or circumstances. Just a smile or a sincere compliment can turn someone’s frown upside down. We had discussions and activities where we focused on emotions and feelings. We created scenarios where we equipped students with ideas and examples of ways we can do something for others that doesn’t cost us anything.

* Opening a door for a friend
* Sharing your lunch with someone who didn’t bring food to school.
* Having sympathy with a friend who is sad.
* Greeting teachers and friends politely.

Just having compassion for others and caring about others feelings should be a priority for all of us. We are developing a character trait amongst students which they will benefit from for the rest of their lives. Together we can make a difference in our community, one act of kindness at a time. Miss Tersia

“Kindness is a language which the deaf can hear and the blind can see.”

Mark Twain
Grandparents Day

Grandparents play an imperative role in the life of every child. They are the child’s support and best friend and leaves a lasting impression on the child’s life.

The Kindergarten held a Grandparent’s Day to honour all our grandparents. The distinguished guests were treated with songs dedicated to all the grandparents. The little ones were so excited to perform for their grandparents and each little star did so with gusto when it was their turn.

Mr Ali spoke about the integral role grandparents play and how much grandparents are valued. All our guests had the opportunity to enjoy a delicious finger lunch while mingling with staff members. The grandparents also visited their grandchild’s classroom where each received a certificate of honour presented to them by their grandchild.

This day meant as much to the teachers as to the grandparents. In the words of one of our grandparents:

"I am blind and could not see my grandchild, but I am touched to have been invited to hear the proceedings, I am thankful."

Ms. Astrid
Constantly Improving Facilities

A new colourful fence for the KG football field

Portable traffic signs to teach students traffic safety

We've added 3 more trampolines to the Grade 1 play area and a colourful worm tunnel
What a privilege we had today to see and touch the actual His Majesty’s Cup football trophy that was awarded to Saham Football Club after winning the final in spectacular fashion. This was truly a once in a lifetime opportunity for students and teachers alike. We would like to thank Saham Football Club for sharing this moment with us. Our congratulations go out to Saham on winning this prestigious trophy for the second time!
Grade 1.6 with His Majesty's Cup
